In the second half the Salt Lake team displayed more experience and technical knowledge of the game. Price and Collins cach got a goal after brilliant runs, tieing the score. The university players were blocked on their rushes in the second half and the Salt Lake team defended its goal in an excellent manner. Lon Romney and Ott Romney, Gardner and Bennion played a fast game for the university The college men take to the soccer game, and it is probable that a class series will be played on the campus this season.

TWO OF WORLD'S CLEVEREST BOXERS TO EXHIBIT THEIR SKILL IN TEN ROUN'D BOUT IN NEW YORK.

New York, Dec. 17.—When Packy Mc-Farland and Abe Attell meet in the ring here Dec. 20 fight fans, will be treated to one of the best boxing contests ever held in this or any other city in some years. In the coming bout Attell is conceding a great deal of weight to the Chicago crack, but Abe probably knows what he is doing. The featherweight champion has met many

ONE-ROUND WONDER GETS DECISION OVER FRAYNE

San Francisco, Dec. 17.—"One-Round" Jack Hogan, the terror of local short-distance fighters, graduated from that class today when he earned a 23-round decision over Johnny Frayne, a light weight of prestige, at Blot's Open-Air arena. The gong alone saved Frayne on at least half a dozen occasions. On his showing today, old-time fight followers unhesitatingly maintain that Hogan, who is barely 21 years old, with little additional experience, will prove a serious centender among the many challengers for the lightweight belt now worn by Ad Wolgast of Michigan.

Today's battle was a case of a hard-hitting, sterling young fighter against experience, eleverness and gameness.

Hogan took the bit in his teeth at the very outset, and before the battle was three rounds old it looked as if another scalp would be added to his belt. In the fourth round Hogan beat his opponent into almost complete helplessness, and Frayne wobbled to his corner apparently beaten.

Frayne wobbled to his corner apparently beaten.

Again in the fifth round Hogan administered fearful punishment, but Frayne weathered the gale. Hogan struggled desperately to land a knockout punch, but round after round, when it appeared certain that Frayne was doomed to defeat, he would come up refreshed and electrify the spectators with an exhibition of gameness and elever defensive work seldom seen in a prize ring.

In the eighteenth and nineteenth rounds it seemed a certainty that Hogan would score a knockout, but again the clang of the beli saved Frayne. The last round found the one-round wonder over-anxious to make his victory complete by scoring with a finishing blow, but Frayne, with his senses dulled and his eyes closed made a last stand and succeeded in lasting the limit. The referee promptly declared Hogan the victor.

St Lous. Dec. 19.—The individual plan for membership in the American bowling congress will be recommended here in January by the St. Louis Bowling association. At a meeting yesterday this was decided upon. It also will be suggested that the membership in city associations be placed at 50 cents per annum, 30 cents of which will go to the national organization. A further recommendation is to be made that the secretary of the A. B. C. be placed on an annual salary of \$3,000 with \$500 for traveling expenses.

OUTCLASSES SOLDIERS

League Game on Military Reservation.

The Sait Lake soccer football team defeated the Fort Douglas eleven yesterday on the military reservation by a score of 5 to 9 in a city league game. While the soldiers played a hard game, they were outclassed by the Sait Lake men, whose aggressiveness and speed was responsible for the score. On defensive work the Sait Lake forwards held like a stone wall, and the soldiers were fensive work the Salt Lake forwards held like a stone wall, and the soldiers were unable to break through at any stage of the game. By determined rushes, the Salt Lake team carried the half to the mouth of the soldiers' goal and two scores were made in the first half.

The second half started off with the soldiers playing a fierce game. The ball was carried into Salt Lake's territory a number of times, but it was blocked a number of times and sent back. Churchil and Dickinson played a star game in the sone was the soldiers at half, breaking up the soldiers interference as they swept down on the goal. Capt. Elliott and Thorup were the
